WHAT TYPE OF *Wedding*
DO *You* WANT?

HOW DO *You* WANT YOUR GUESTS TO *Feel*? WHAT DO *You* WANT THEM TO REMEMBER *Forever*?

When it comes to your Wedding DJ Entertainment, these are important questions.

Dash of Class-Platinum Entertainment has the answers! Our polished and experienced DJ's and Emcee's perform exclusively at weddings.

With our expertise, we will coordinate your wedding smoothly and professionally. Your DJ & Emcee team will be with you, from your first meeting to the last song of your reception. We will handle the details while you celebrate!

All couples have a specific look and style they desire for their wedding reception. Music tastes vary, and our limitless music library can be fine-tuned to match all your wants.

Bringing a *WOW* into your wedding is not just done with music. Our Entertainment Enhancements will make your wedding day memorable and unforgettable.

The secret to our long 30 years of success is our attention to detail, catering to personalities, and our ability to be flexible.

We have offices located in Florida for in-person meetings. We can also meet virtually, making it convenient for us to chat and get to know each other. Getting to know your entertainer makes a world of difference in the outcome of your reception and what your family, friends, and guests remember.

Ceremony Music

The right music for your Wedding Ceremony will do wonders for your big day!

Whether your ceremony is taking place at your venue, church or on the beach, our music and microphones will provide the perfect touch of detail.

Enhance your Ceremony by utilizing our team of Live Musicians. Harpist • Violin Player • Flutist • String Duos & Quartets • Jazz Trios

Live Musicians

Add a talented Percussionist, Saxophonist, Violinist, Keyboard Player, Harpist, or Jazz Trio to create a perfect match between your DJ and live interactive sound. Whether entertaining during cocktail hour & dinner or jamming alongside your DJ, Live Musicians always add a note of class and energy.

In addition to Musicians, our talented Male & Female Vocalists can sing a variety of classics or get in the middle of the dance floor and sing today's hottest jams.

Special EFX

Snowfall

A fairytale effect. You can have indoor snowfall anytime of the year.

Dancing on Clouds

A breathtaking first dance effect makes for an unforgettable moment.

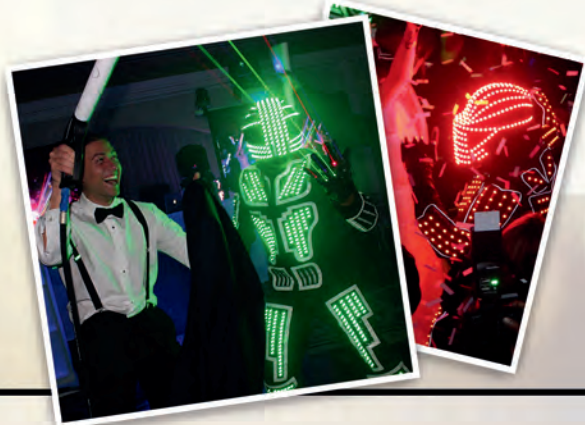

CO2 Blast

A WOW element to your introductions. Our cannons shoot a plume over 25 feet.

Sparklers

Smokeless, Odorless, Flameless streams of glitter sparking over 15 feet.

LED Robots

Confetti Blast

Lighting Design

Our lighting designs are managed by experts who understand how proper lighting can draw guests into emotional and moving moments or have the crowd showing their wild fun side.

Custom Lighting Production takes your Wedding reception to another level.

Photobooths

A photobooth is the best and unique way to capture your events unforgettable moments.

All photo booths include a prop box full of hats, glasses, feather boas, tiaras, and signs. Your guests can take an unlimited amount of hysterical photos that will create long-lasting memories of your Wedding.

Traditional Photo Booth • Red Carpet Photo Booth
• Mirror Me Booth • 360 Slo-Mo Booth

Video Screen Production

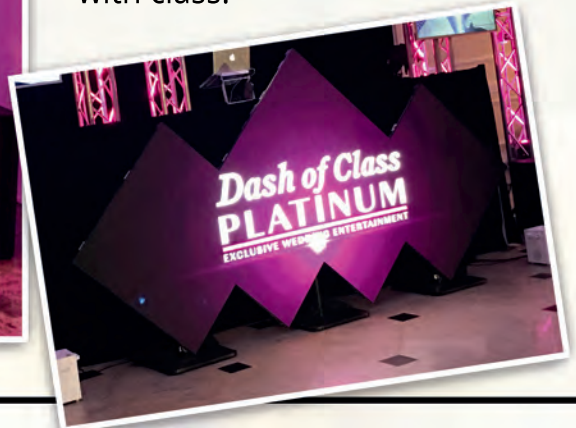

Video Screen Production is a great way to add a sophisticated feel to your Wedding, projecting pictures, live video, and graphics throughout your event. Our highly talented video production team will take your cherished photos and create a video montage set to the music of your choice. "Zapshots" are also included. These are candid photos taken during your event and displayed on the screen for your guests to enjoy.

Customizable LED Walls

These high definition eye-catching walls can display graphics, photos, or a custom monogram, which makes your event personalized with class.

IT'S ALL ABOUT THE *Music.*

Entertainment can make or break your Wedding.

Below are a few questions to ask yourself, to help in the search for a great entertainment experience.

- Have you witnessed them perform at a Wedding or LIVE showcase?
- Was the company recommended by a venue or a friend that has used them in the past?
- Do they have great reviews on WeddingWire and/or The Knot?
- Are they licensed and fully insured, including workman's compensation?
- Can you meet the person that will be performing at your wedding before you book?
- Is this a full-time career for them?
- Do they have regular office hours and a full-time staff that will help you plan?
- Do they have an online planning platform for your music requests and wedding specifics?
- Can you meet with them in person or virtually, if you wish?
- If your entertainer has an emergency, is there a backup plan?
- In the event of an equipment failure, do they have backup equipment on-site?
- What is their policy on an act of God or emergency that may postpone your event?
